CITY COUNCIL MEMO

DATE: February 9, 2021
TO: Mayor and City Council
FROM: Brian Vorauer, Patrol Lieutenant
SUBJECT: Resolution - Police Response Equipment Grant #4298401

Summary:

The City of Fredericksburg Police Department is in need of additional police response equipment in order to mitigate critical incidences occurring within the city limits of Fredericksburg. Due to the continued increase in population and the rapidly growing tourism industry, the City of Fredericksburg has seen an increase in critical incidents involving violent individuals, individuals with weapons, or mentally ill individuals with weapons. The goal is to purchase police emergency response equipment that will give our law enforcement officers additional protection and more tools to effectively address the growing number of critical incidents. There are no matching funds required by the city and the grant request totals \$19,802.

Recommendation:

It is recommended that the City Council approve the resolution as presented for the Police Response Equipment Grant for fiscal year 2021-2022.

Background / Analysis:

Over the past three years the Fredericksburg Police Department (FPD) was involved in several incidents involving mentally ill individuals possessing firearms and/or knives threatening to harm individuals or themselves. The FPD was involved in an incident with a mentally ill individual with a knife that attempted to commit suicide by cop but was successfully taken into custody after a less than lethal beanbag round

The City of Fredericksburg

was deployed. The FPD recently had two armed robberies at a fast-food restaurant that involved a firearm and a knife. Officers were able to apprehend the suspect but not before he pointed the firearm at an officer. The FPD also responded to a call involving an individual that was on a hill behind a bank pointing a fully automatic Uzi at bank employees and customers. The officers responded but could not approach until additional protective equipment was retrieved from the law enforcement building and brought to them. During this time, the individual went out of sight and could have been tracked or located if a drone were available. When the equipment arrived, the officers were able to deal with the incident and take the individual into custody. All the officers handling or responding to these critical incidents could have benefited from additional protection offered by the equipment and tools the FPD is requesting in this grant.

The disposition completeness percentage is defined as the percentage of arrest charges a county reports to DPS for which a disposition has been subsequently reported and entered into the computerized criminal history system.

Beginning January 1, 2021, counties applying for grant awards from the Office of the Governor must commit that the county will report at least 90 percent of convictions and other dispositions within five business days to the Criminal Justice Information System at the Department of Public Safety. Click [here](#) for additional information from DPS on this new reporting requirement.

Eligible applicants operating a law enforcement agency must be current on reporting complete UCR data and the Texas specific reporting mandated by 411.042 TGC, to the Texas Department of Public Safety (DPS) for inclusion in the annual Crime in Texas (CIT) publication. To be considered eligible for funding, applicants must have submitted a full twelve months of accurate data to DPS for the most recent calendar year by the deadline(s) established by DPS. Due to the importance of timely reporting, applicants are required to submit complete and accurate UCR data, as well as the Texas-mandated reporting, on a no less than monthly basis and respond promptly to requests from DPS related to the data submitted. Note: UCR is transitioning from summary reporting to NIBRS only in 2021. Applicants are encouraged to transition to NIBRS as soon as possible in order to maintain their grant eligibility.

Deduction Method - Program income shall be deducted from total allowable costs to determine the net allowable costs. Program income shall be used for current costs unless PSO authorizes otherwise. Program income which the grantee did not anticipate at the time of the award shall be used to reduce the PSO award and grantee match rather than to increase the funds committed to the project.

Project Abstract :

The City of Fredericksburg Police Department is in need of police emergency response equipment in order to mitigate critical incidences occurring within the city limits of Fredericksburg and Gillespie County. Due to the continued increase in population and the rapidly growing tourism industry, the City of Fredericksburg has seen an increase in critical incidents involving violent individuals, individuals with weapons, or mentally ill individuals with weapons. The City of Fredericksburg is also rapidly developing, and several new subdivisions have opened or are under different stages of development. The City of Fredericksburg is also in the process of annexing additional property. Many hotels are under development or being planned to break ground in the next year. Festivals, parades, and other special events have also seen an increase in both venue size and attendance over the past few years. The increased population and tourism along with the developing subdivisions all create the potential for more critical incidents. The goal is to purchase police emergency response equipment that will give our law enforcement officers additional protection and more tools to effectively address the growing number of critical incidents.

Problem Statement :

The Fredericksburg Police Department does not have all the necessary emergency response equipment to facilitate a safe and reliable response to critical incidents involving violent individuals, individuals with weapons, or mentally ill individuals with weapons. The problem is that without this emergency response equipment the police department is not adequately equipped to properly and safely encounter and control a critical situation. In the recent past Officers have responded to and mitigated critical incidences with basic body armor or active shooter armor and no advanced Kevlar protective equipment or advanced surveillance equipment such as a drone.

Supporting Data :

The City of Fredericksburg is located in the hill country and has a population of 11,245 citizens (2019 US Census estimates) and encompasses 6.64 square miles. Fredericksburg is the county seat of Gillespie County which has a population of 26,988 citizens (2019 US Census estimates) within 1,058 square miles. Fredericksburg's economy brings more than 1.5 million visitors (Fredericksburg Visitor's Bureau) to Fredericksburg and Gillespie County each year and it is steadily increasing. Over the past three years the Fredericksburg Police

Department (FPD) was involved in several incidents involving mentally ill individuals possessing firearms and/or knives threatening to harm individuals or themselves. The FPD was involved in an incident with a mentally ill individual with a knife that attempted to commit suicide by cop but was successfully taken into custody after a less than lethal beanbag round was deployed. The FPD recently had two armed robberies at a fast-food restaurant that involved a firearm and a knife. Officers were able to apprehend the suspect but not before he pointed the firearm at an officer. The FPD also responded to a call involving an individual that was on a hill behind a bank pointing a fully automatic Uzi at bank employees and customers. The officers responded but could not approach until additional protective equipment was retrieved from the law enforcement building and brought to them. During this time the individual went out of sight and could have been tracked or located if a drone was available. When the equipment arrived, the officers were able to deal with the incident and take the individual into custody. Not only has the Fredericksburg Police Department had many critical incidents over the past several years the Gillespie County Sheriff's Office has handled many as well. All the officers handling or responding to these critical incidents could have benefited from additional protection offered by the equipment and tools the FPD is requesting in this grant.

Project Approach & Activities:

Fredericksburg is over 70 miles from downtown San Antonio and over 78 miles from downtown Austin. If a SWAT response was needed from either agency for a critical incident it would take several hours for any assistance to arrive. The Fredericksburg Police Departments current policy states that DPS SWAT would be requested first and if they were not available then San Antonio Police Department SWAT would be requested. The requested equipment in this grant would assist officers in mitigating a critical incident so SWAT did not have to be called or sustain the scene of a critical incident until a SWAT team arrived. Without the police response equipment requested within this grant the Fredericksburg Police Department is solely relying on the Officer equipped with limited equipment to encounter and deal with a critical incident. The requested equipment in this grant will help the Fredericksburg Police Department to become more self-sufficient and less reliant on the COG. It is vital for the Fredericksburg Police Department to be able to encounter, contain, and react to critical incidences within our community in order to maintain control of the incident and protect the public. It is essential for the Fredericksburg Police Department to continue to provide police services to the citizens of Fredericksburg and maintain a high level of customer service and commitment to the community.

Capacity & Capabilities:

The Fredericksburg Police Department currently has 34 commissioned peace officers. The patrol division is comprised of 22 Patrol Officers and one Patrol Lieutenant. The patrol division is divided into five shifts with four patrol officers on each shift. Four patrol shifts work 12 hour shifts and the fifth patrol shift works a 10 hour shift and is assigned to the downtown area to address the bulk of the issues related to the tourist industry. The Fredericksburg Police Department conducts training and adheres to policy as a commitment to excellence and maintenance of the agencies accreditation. The Fredericksburg Police Department is currently equipped with emergency response equipment to include 8 tactical heavy vests, 8 Kevlar helmets, less lethal impact and gas munitions, flash bangs, flash bang pole, and a break and rake tool. The police response equipment in this grant will ensure the safety of our officers responding to the critical incident calls as well as complement our current equipment and help further our capabilities. The Fredericksburg Police Department conducts training with the currently owned emergency response equipment and would incorporate the new equipment in that training.

Performance Management :

The Fredericksburg Police Department continues to see an increase in the number of critical incident calls for service. The goal of the police response equipment grant is to allow officers to safely and more effectively respond to critical incidents. The availability of this equipment in the patrol officer's unit will facilitate a more conducive and safe end to incidents involving weapons. This added protection for the patrol officer will greatly reduce the ability for a critical incident to expand and/or escalate which in return will limit the need for more Officers to become involved and limit the effect on the public. The objective of this grant is to further equip the Fredericksburg Police Department with critical incident response equipment and tools in an effort to construct a more complete and safe conclusion for everyone involved.

Target Group :

This patrol officer position will afford the Fredericksburg Police Department the ability to provide more police services to the over 11,000 citizens of Fredericksburg and the estimated 1.5 million visitors to our city each year. According to the U.S. Census Bureau, 69% of the population in Fredericksburg is white, 29% is Hispanic or Latino, 4.3% is two or more races, and 3.4% is American Indian and Alaska Native.

Evidence-Based Practices:

The Fredericksburg Police Department is accredited by the Texas Law Enforcement Best Practices Recognition program. The Fredericksburg Police Department has a written directive governing patrol operations and reporting the use of force. These written directives will produce and provide the department with the means and methods to track the critical incidents where force is presented or used. The Fredericksburg Police Department also conducts an annual analysis for the use of force which is provided to the Chief of Police and City Council.

CITY COUNCIL MEMO

DATE: February 15, 2021

TO: Mayor and City Council

FROM: Jason Lutz

SUBJECT: Z-2019 – Conditional Use Permit for Condominiums & Townhomes at the northwest intersection of Keller Crossing & S. Milam St.

Summary:

The applicant is proposing a multi-phased mixed use development to be constructed on approximately 14.6 acres of land located to the north of Keller Crossing, between Burger King and the Windcrest Townhome subdivision. The Keller Oaks Development is proposed to consist of 22 Townhomes and 32 Condominiums (Phase I & II). The project will include a Community Center as well as Professional Offices fronting on Keller Crossing. The proposed Professional Office Space will consist of 8 Office Buildings. Total building area is approximately 45,559 square feet.

The property is currently zoned Neighborhood Commercial (C-1) and medical offices are allowed, by right in the zoning district. The C-1 zoning district does allow Townhomes & Condominiums, with the approval of a Conditional Use Permit (CUP). The property is bounded to the north by the Windcrest residential development (PUD), Commercial (C-2) zoning to the south & west, and Public Facilities (PF) zoning districts to the south & east (Hospital).

The project will need to go through additional City processes before any permits can be issued. The next step will be to plat the property for the townhomes and condominiums. As part of the platting process, a variance to City regulations regarding the maximum lengths of streets that end in cul-de-sacs will need to be approved. The proposed street, Crestwood Circle, is 733' in length and the maximum for this type of street is 500'. Staff can support this variance request due to the associated topographic and safety issues. No sidewalks are proposed along the residential areas and staff is recommending that the development provide additional sidewalks to provide pedestrian access to other phases of the development. In addition to the platting process, the applicant will need to have the official site plan reviewed and approved based on conformance to City regulations. Before the site plan may be approved,

The City of Fredericksburg

126 W. Main St. • Fredericksburg, Texas 78624-3708 • (830) 997-7521 • Fax (830) 997-1861

staff will need to work with the applicant regarding an existing home located on the property. This home is not listed on the City's inventory of Historical Structures, but due to its age, may qualify for historic protections.

Recommendation:

The Planning and Zoning Commission voted 7-0 to approve the CUP for Townhomes & Condominiums with the condition that the project provide additional sidewalks in the development.

Staff received 13 protests for the original request of multiple CUP land uses and received 5 protests on the updated CUP request for Condominiums and Townhouses.

Staff recommends Approval of the Conditional Use Permit for Condominium Residential and Townhouse Residential, for Phase I & II, with the condition that additional sidewalks be constructed along the residential areas in order to provide pedestrian access to other phases of the development.

Background / Analysis:

See the attached Conditional Use Permit Brief for a summary of the existing and proposed land uses and zoning.

City of Fredericksburg - Development Review Committee (DRC)

Fredericksburg, TX 78624

Re: Withdrawal of certain requested uses under the Conditional Use Permit Application / Keller Oaks Subdivision.

Dear Committee Members :

In a previous letter, dated December 26, 2020, I had requested some sixteen (16) various uses as listed on Page 2 & 3 of the Project Application be approved under this Application. However, after explaining our vision for the development to Committee Members during a zoom meeting held on January 13, 2020, and having the "use titles" explained as to what they refer to, it was learned that most of the requested uses are not compatible with our objective, and therefore unnecessary, and should be withdrawn from the Application.

Therefore, we respectfully request that, in addition to the "Principal Permitted Uses" as listed under Sec. 3.2 - C-1 NEIGHBORHOOD COMMERCIAL", that the following uses as listed on Page 2 & 3 of the Project Application as "may be permitted subject to a conditional Use Permit as provided for in section 5.400" be approved under this Application:

1. Townhouse Residential; and,
2. Condominium Residential (section 7.610);

Again, we look forward to our mixed-use development being a welcomed and successful addition to the beautiful city of Fredericksburg. I feel certain that our vision for this development will be well received and accomplish that goal.

We look forward to your approval of this application and joining your community.

Very truly yours,

P. V. McMinn, Jr.

aCONDITIONAL USE PERMIT BRIEF
Request Z-2019

APPLICANT: Simple as Dirt Engineering, Nick Taylor, AIA, NCARB

LOCATION: 1032 S. Milam

EXISTING ZONING: C1 – Neighborhood Commercial

EXISTING LAND USE: Mixed Use Corridor

PROPOSED REQUEST: Conditional Use Permit for Condominium Residential and Townhouse Residential

CUP Site Plan Overview:

- The Keller Oaks Development is proposed to consist of 22 Townhomes and 32 Condominiums. The project will include a Community Center as well as Professional Offices fronting on Keller Crossing. (see proposed Site Plan).
- The proposed Professional Office Space will consist of 8 Office Buildings. Total building area is approximately 45,559 square feet.
- Access to the property is from Keller Crossing.
- 128 Residential parking spaces are proposed. 123 spaces for the Professional Office and 14 for the Community Center. (Math doesn't match)
- The site is laid out in such a way that the Residential development is separate from the Commercial.
- The surrounding zoning is OS (Open Space) to the north, C2 Commercial to the south and east, and PUD (Planned Unit Development) to the west.

Review and Evaluation Criteria:

A. CONFORMANCE WITH APPLICABLE REGULATIONS:

- Staff would recommend that the Site Plan is conceptual at this point but appears to meet the C-1 Zoning regulations.
- Crestwood Circle (cul-de-sac street) is currently proposed to be 733' in length. In accordance with section 6.12 of the Subdivision Ordinance, the maximum cul-de-sac length shall be 500'. As currently presented, this proposal does not meet the Subdivision Ordinance requirements and a Variance would be required.

B. COMPATIBILITY WITH EXISTING OR PERMITTED USES IN ABUTTING SITES:

- We would expect the proposed use described by the applicant to be compatible with the surrounding residential and commercial zoning.

C. POTENTIALLY UNFAVORABLE EFFECTS OR IMPACTS ON OTHER EXISTING OR PERMITTED USES ON ABUTTING PROPERTY:

- We do not anticipate unfavorable effects on adjoining properties from this use.
- D. MODIFICATIONS TO THE SITE PLAN WHICH WOULD RESULT IN INCREASED COMPATIBILITY AND WOULD MITIGATE POTENTIALLY UNFAVORABLE IMPACTS:**
- None.
- E. SAFETY AND CONVENIENCE OF VEHICULAR AND PEDESTRIAN CIRCULATION IN THE VICINITY:**
- Drive access into this property will be on Keller Crossing The proposed uses on site are anticipated to operate with compatible operating hours. The site is designed to accommodate required parking, vehicle circulation and pedestrian circulation. Staff would like to see more interior sidewalks to accommodate a walkable development.
- F. PROTECTION OF PERSONS AND PROPERTY FROM EROSION, FLOOD OR WATER DAMAGE, FIRE, NOISE, GLARE:**
- This site has significant elevation change. Site shall comply with City of Fredericksburg requirements.
- G. LOCATION OF LIGHTING AND TYPE OF SIGNS; THE RELATION OF SIGNS TO TRAFFIC CONTROL AND ADVERSE EFFECTS OF SIGNS ON ADJACENT PROPERTIES:**
- Site and building lighting shall comply with City of Fredericksburg requirements. Staff is waiting on the applicant to submit a lighting plan.
- H. ADEQUACY AND CONVENIENCE OF OFF-STREET PARKING AND LOADING FACILITIES:**
- Sufficient parking is provided based on the code. Parking for the Condominiums and Townhouse complexes are separate from the parking for the Professional Office Space. Staff does not support excess parking as indicated in Phase XX. Given the sensitive hillside site, parking/paving should be kept to the minimum.
- I. DETERMINATION THAT THE PROPOSED USE IS IN ACCORDANCE WITH THE OBJECTIVES OF THESE ZONING REGULATIONS AND PURPOSES OF THE ZONE IN WHICH THE SITE IS LOCATED:**
- Affirmative
- J. DETERMINATION THAT THE PROPOSED USE WILL COMPLY WITH EACH OF THE APPLICABLE PROVISIONS OF THE ZONING ORDINANCE:**
- Affirmative.

K. DETERMINATION THAT THE PROPOSED USE AND SITE DEVELOPMENT, TOGETHER WITH ANY MODIFICATIONS APPLICABLE, THERETO, WILL BE COMPATIBLE WITH EXISTING OR PERMITTED USES IN THE VICINITY:

- Affirmative.

L. DETERMINATION THAT ANY CONDITIONS APPLICABLE TO APPROVAL ARE THE MINIMUM NECESSARY TO MINIMIZE POTENTIALLY UNFAVORABLE IMPACTS ON NEARBY USES AND TO ENSURE COMPATIBILITY OF THE PROPOSED USE WITH EXISTING OR PERMITTED USES IN THE SAME DISTRICT AND THE SURROUNDING AREA:

- The design of the site plan, including the locations of the buildings appear to rely heavily on removal of much of the vegetation, including several established trees. Staff is not in favor of tree removal as is currently presented. Staff has requested a more detailed Tree Survey. Staff believes that a potential clear cutting of the site would present an unfavorable impact on the neighboring properties.

M. DETERMINATION THAT THE PROPOSED USE TOGETHER WITH THE CONDITIONS APPLICABLE THERETO, WILL NOT BE DETRIMENTAL TO THE PUBLIC HEALTH, SAFETY, OR WELFARE OR MATERALLY INJURIOUS TO PROPERTIES OR IMPROVEMENTS IN THE VICINITY:

- We would not expect the proposed use to have detrimental effects on the public health, safety, or welfare of properties in the vicinity.

OPPOSITION/SUPPORT OF REQUEST: This application originally included multiple CUP requests for additional land uses. Notification letters were sent out with the original request. 12 protest letters have been received to date. At this time, the applicant has removed their request for the additional land uses and is only requesting the townhome and condominium uses.

STAFF RECOMMENDATION:

Regarding the proposed CUP for Condominium Residential and Townhouse Residential. The layout of the site with Residential development to the back of the property and Professional Office space along Keller Crossing represents a compatible development solution. Staff is concerned with the proposed removal of a potentially historic building, water tank and windmill and have directed the applicant to contact the Historic Preservation Officer for an onsite meeting. The professional office building is noted as Phases III & IV. Demolition delay should not impact the first phase of the residential development.

Staff recommends Approval of the Conditional Use Permit for Condominium Residential and Townhouse Residential, for Phase I & II, with the condition that additional sidewalks be constructed along the residential areas in order to provide pedestrian access to other phases of the development.

Please print and add to Objections and Protests for the proposed Conditional Use Permit at 1032 S. Milam Street

I am emailing on behalf of my inlaws Gerald and Tomalta Gross, located at 485 Summit Circle. Their property is within 200' of the proposed condo/townhome complex located at 1032 N Milam St.

We are protesting the Conditional Use Permit, request number Z-2019.

As a property owner within 200' of this zoning amendment, we would like all factors to be considered. The risks associated with approval of this zoning request are significant.

The roads and highways are not substantial enough to be congested any more than they already are. Current assessment of the roads is not an accurate assessment, as there is greatly reduced traffic during this time of pandemic. When schools and hospitals return to regular function and traffic, it will create a grid lock during certain times of the day, potentially affecting the ability of the hospital emergency department to be able to respond with expediency.

Also, creating more traffic and risk for the high school students and their ability to be able to travel to and from the high school without increased risk due to congested high traffic areas that are not able to handle the proposed high occupancy condominium project. During normal traffic, Milam at the Hwy 16 late is often backed up well past Windcrest Street. Further congestion of this area would result in higher risk of vehicle wrecks.

Additionally, this for profit complex (a profit to others) would greatly affect and reduce the value to the properties near it and above it, as it affects the views and environment that was originally established.

There is also the question of the existing homes on the hill above the proposed complex. Would the stability of the homes be compromised with the significant removal of the trees and ground below it? Has this been addressed?

A high occupancy condominium complex in this proposed location will create a safety hazard on many levels, primarily on the highways near our essential services that serve our community. Compromising these health and educational services reduces the quality of our community.

Also, after visiting with other residents in this area, there are reports of residents not receiving the notification of this zoning proposal.

Respectfully,

Gerald D. Gross, Sr.

The requested zoning amendment would give the applicant or successors almost unlimited authority to establish any type of business in the affected area. With such authority 24 hour retail business establishments could create 24 hour noise for all homeowners adjacent to this property. There would be no restrictions on short term residential rentals which can also create continuous nuisances. This is a very bad idea with no consideration for existing owners of adjacent residential property.

To: The Members of the Planning and Zoning Commission of the City of Fredericksburg

I am writing to protest the change in zoning along S. Milam Street. It is appalling to me that a request for rezoning can lack specificity for land use. I oppose any change of zoning that is not single-story residential units for the following reasons:

- South Milam separates the community hospital from residential communities and should not be used for commercial businesses.
- Commercial development would add to traffic from the hospital, high school and residential developments off West Windcrest, and the roadways and intersections can barely accommodate the traffic during commuting hours.
- The configuration of the property would prohibit adequate parking for commercial businesses.
- Needed excavation of the land could cause potential damage to the Windcrest Townhomes and to the retaining wall on the property.
- The land buffer off of Milam is a haven for wildlife like deer, fox, a variety of birds including road runners. The city needs to address protected areas for wildlife.

I do not understand how the Commission can make an appropriate decision without specificity of development plans, and I do not see a well-conceived proposal in what has been sent to us. I am opposed to the rezoning to the property.

Sincerely,

Ann I. Hoch, Ph.D.

RE: Request Number Z-2019

To Whom It May Concern:

We hereby protest the requested zoning amendment as referenced above, Z-2019.

After viewing the site plan for the development it is apparent the proposed usage is not suitable for Fredericksburg or the surrounding neighborhood. The conditional use permit makes it possible for the developer to include any and all 16 uses as listed in Section 5.400 of the zoning ordinance. We don't want to look like cities that have no zoning at all!

The permit would also allow the developer to significantly change the surrounding neighborhood traffic flow, noise and beauty of the area.

To reiterate, we protest the requested zoning amendment.

Respectfully submitted,

Patrick W. Pylate

Request # Z-2019
December 30, 2020

Members of the Commission:

I am a relatively new homeowner in the Windcrest Subdivision of Fredericksburg, Texas. As we were looking for our new home in Fredericksburg, we were fortunate to find just the right location which we believe would be quite and with little traffic to disturb us in the future.

We have reviewed the zoning request of Nick Taylor with Simple as Dirt Engineering finding the following reasons to Protest the Request:

1. It is unclear from this request what would be completed on the Site.
2. It is hard for me to believe that the City of Fredericksburg would issue such an all-inclusive zone request, i.e., a zone for so many varied businesses.
3. We are concerned that such a zone would not enhance the value of the property in this area.
4. We are concerned as to the traffic pattern and noise level created by these businesses.

Thank you for considering our concerns for the location.

Sincerely,

We hereby protest the requested zoning amendment as referenced above, Z-2019.

After viewing the altered site plan for the development—Townhouses Residential and Condominiums Residential—it is apparent the proposed usage is not suitable for the area as it overlooks a construction company, electricity substation, fast food restaurant and bank. Not a desirable view for residential use.

The current plan would also allow the developer to significantly change the surrounding neighborhood traffic flow, noise and beauty of the area. Streets and parking spaces are situation too close to the adjourning property boundary.

To reiterate, we protest the requested zoning amendment.

CITY COUNCIL MEMO

DATE: February 9, 2021
TO: Mayor and City Council
FROM: Kent Myers, City Manager
SUBJECT: Art Guild Lease

Summary:

The current lease with the Art Guild for the building located at 308 East Austin Street expires at the end of February.

Recommendation:

It is recommended that the current lease agreement be amended to extend this lease subject to an increase in the monthly lease payment

Background / Analysis:

The City has a current lease agreement with the Art Guild for the building at 308 East Austin Street at the rate of \$600 a month that expires at the end of February. The Art Guild has recently requested that this lease be extended. Due to the possibility that the City will need this building for future office space, a long-term lease is not recommended. Instead the proposed lease amendment that is attached provides for a lease of one year with a one-year extension. The lease amendment also provides an increase in the current monthly payment from \$600 to \$700 for the first year and an increase to \$750 the second year. This appears to be a fair and reasonable lease rate based upon other leases in this area.

FIRST AMENDMENT TO
LEASE AGREEMENT
for the
FREDERICKSBURG ART GUILD BUILDING

WHEREAS, the Fredericksburg Art Guild (“Lessee”) and the City of Fredericksburg, Texas (“Lessor”) entered into a Lease Agreement for the Fredericksburg Art Guild Building (“Lease Agreement”) commencing on March 1, 2019, related to the occupancy of the building located at 308 East Austin Street; and

WHEREAS, the Lessor and Lessee desire to enter into this First Amendment to the Lease Agreement (“First Amendment”), to extend the term of occupancy.

NOW, THEREFORE, in consideration of the mutual agreements set forth in the Lease Agreement and this First Amendment, and other good and valuable consideration, the receipt of which are hereby acknowledged, the parties hereto agree as follows:

1. Section 1.01 of the Lease Agreement is hereby amended by the deletion of the last paragraph in that Section 1.01, and inserting the following text to replace the deleted paragraph:

At the end of the Initial Term, the Lessee may renew the Lease Agreement for one renewal term of 12 months, said renewal term commencing on March 1, 2022, and ending on February 28, 2023, to be exercised by Lessee giving written notice to Lessor not less than sixty (60) days prior to the expiration of the Initial Term. The renewal term shall be at the rental rate of a monthly rent payment of SEVEN HUNDRED AND FIFTY and NO/100 (\$750.00) DOLLARS, due on or before the 10th calendar day of each month, and otherwise upon the same covenants, conditions and provisions as provided in this Lease.

2. Section 2.01 of the Lease Agreement is hereby amended by the addition of Section 2.01(c), to read as follows:

c. for the third twelve months of the term, from March 2021 through February 2022, a monthly rent payment of SEVEN HUNDRED AND NO/100 (\$700.00) DOLLARS, due on or before the 10th calendar day of each month.

3. All terms referred to and not defined herein shall have the meaning ascribed to them under the Lease Agreement. This First Amendment shall become effective upon execution by both parties.
4. In the event of any inconsistency or conflict between the provisions of this First Amendment and those of the Lease Agreement, this First Amendment shall prevail. Except as specifically amended by this First Amendment, the Lease Agreement shall remain unchanged and in full force and effect.

IN WITNESS WHEREOF, each of the parties hereto has executed this First Amendment, or caused the same to be executed by its duly authorized representative.

In the event that Lessor should fail to complete such rebuilding or repairs within ninety (90) working days from the date of written notification by Lessee to Lessor of the occurrence of the damage, Lessee may at Lessee's option terminate this lease by written notification at such time to Lessor, whereon all rights and obligations hereunder shall cease.

5.05. Lessee shall not commit or permit any act or acts in or on the Leased Premises or use them or suffer them to be used in any manner that will increase the existing fire, liability and other insurance rates on either the Leased Premises or the building in which the Leased Premises are situated, or that will cause a cancellation of any insurance policy covering the premises or any part of them. Lessee will not keep, hold, store, use, or sell in or on the Leased Premises any product or article prohibited by the standard fire-insurance policy, as it now exists or may later provide, covering the premises or permit or suffer any such product or article to be kept, held, stored, used or sold in or on the Leased Premises, and Lessee will, at its sole expense, comply with all requirements of Lessor's insurance carriers pertaining to the Leased Premises necessary for the continued maintenance of reasonable fire and liability insurance of the premises and appurtenances.

8.02. Lessee shall, at Lessee's expense:

(A) keep the Leased Premises as clean and sanitary as the condition of the premises permits;

(B) dispose from the Leased Premises all rubbish, garbage, and other waste, in a clean and sanitary manner;

(C) properly use and operate all electrical, gas, and plumbing fixtures and keep them as clean and sanitary as their condition permits;

(D) not permit any person on the premises, with Lessee's permission, to willfully or wantonly destroy, deface, damage, impair, or remove any part of the Leased Premises or the facilities, equipment, or appurtenances thereto;

(E) abide by all laws, regulations and ordinances of any governmental authority having jurisdiction over the Leased Premises;

(F) make all repairs and perform all maintenance to the Leased Premises other than those expressly imposed on Lessor herein, with all repairs performed by trained, qualified and insured repair persons;

(G) not permit the keeping or storage of hazardous materials as defined by federal statutes on the Leased Premises provided, however, that Lessee shall be permitted to keep and store art materials and supplies except that flammable materials shall be kept only in small, limited quantities; and

(H) not permit smoking or the use of gas fired equipment inside the Leased Premises.

ARTICLE 9. ALTERATIONS, IMPROVEMENTS AND FIXTURES

9.01. Lessee shall not make any alterations, including locks or other security devices, to the Leased Premises without the prior written consent of Lessor to do so. Any and all alterations, additions, improvements, and fixtures (except trade fixtures

which Lessee shall be permitted to remove from the Leased Premises at any time during the term hereof or upon expiration or sooner termination of this lease and not otherwise if such removal can be effected without injury to the Leased Premises and if any such fixture shall not have become, by the manner in which it is affixed, an integral part of the Leased Premises), made or placed in or on the Leased Premises shall on expiration or sooner termination of this lease belong to Lessor without compensation to Lessee; provided, however, that Lessor shall have the option, to be exercised on expiration or sooner termination of this lease, to require Lessee to remove any or all of such additions, improvements or fixtures. Before installing any fixtures in or on the Leased Premises, Lessee shall submit plans and designs therefor to Lessor for Lessor's approval, and in the event that the plans and designs are not approved by Lessor, such fixtures shall not be installed until any changes required by Lessor are made. Lessor agrees not to unreasonably withhold consent under this Section 9.01.

ARTICLE 10. COVENANTS

10.01. Lessor shall on the commencement date of the term of this lease as hereinabove set forth, place Lessee in quiet possession of the Leased Premises and shall secure Lessee in the quiet possession thereof.

10.02. Lessee may not do anything that will cause the Leased Premises to be encumbered in any way.

ARTICLE 11. SURRENDER OF PREMISES

11.01. Lessee shall, at Lessee's own cost and expense within three (3) calendar days after expiration or sooner termination of the term hereof or of any extended term hereof, remove all property belonging to Lessee and all alterations, additions or improvements, and fixtures which by the terms hereof Lessee is permitted to remove, repair all damage to the Leased Premises caused by such removal, and restore the Leased Premises to the condition they were in prior to the installation of the property so removed. Any property not so removed shall be deemed to have been abandoned by Lessee and may be retained or disposed of by Lessor.

11.02. Lessee agrees to and shall, on expiration or sooner termination of the term hereof or of any extended term hereof, promptly surrender and deliver the Leased Premises to Lessor in good condition, ordinary wear and tear and damage by the elements, fire, or act of God, or by other cause beyond the reasonable control of Lessee, excepted.

ARTICLE 12. TERMINATION AND CONDEMNATION

12.01. In the event the Leased Premises is to be utilized by Lessor for a governmental function, this lease may be terminated by Lessor prior to the expiration of the lease term, after providing Lessee a one year notice of termination.

12.02. If during the term of this lease or any extension or renewal thereof, all or part of the Leased Premises should be taken for any public or quasi-public use earlier by any condemning authority other than Lessor under any governmental law, ordinance, or regulation, or by right of eminent domain, or should be sold to the condemning authority (except Lessor) under threat of condemnation, this lease shall terminate and the rent shall be abated during the unexpired portion of this lease, effective as of the date of the taking of said premises by the condemning authority.

ARTICLE 13. DEFAULT

13.01. If Lessee shall remain in default under any condition of this lease for a period of ten (10) calendar days after written notice from Lessor to Lessee, or if the default is of such a nature as to be incapable of cure within ten (10) days and same has not been cured within a reasonable time after written notice from Lessor to Lessee, or should any person other than Lessee secure possession of the premises, or any part thereof, by reason of any assignment, dissolution, receivership or bankruptcy proceedings, Lessor may, at Lessor's option and without notice to Lessee, terminate this lease, or in the alternative, Lessor may re-enter and take possession of said premises and remove all persons and property therefrom, without being deemed guilty of any manner of trespass, and relet the premises or any part thereof.

The following provisions shall override and control, to the extent allowed by law, any conflicting provisions of the Texas Property Code, as well as any successor statute governing the right of a Lessor to change the door locks of commercial Lessees. In the event a default occurs, Lessor is entitled and is hereby authorized, without any further notice to Lessee whatsoever, to enter upon the Leased Premises by use of a master key, a duplicate key, or other peaceable means, and to change, alter, and/or modify the door locks on all entry doors of the Leased Premises, thereby permanently excluding Lessee and its officers, principals, agents, employees and representatives therefrom. In the event that Lessor has either permanently repossessed the Leased Premises pursuant to the foregoing provisions of this Lease, or has terminated this lease, Lessor shall not thereafter be obligated to provide Lessee with a key to the Leased Premises at any time, regardless of any amounts subsequently paid by Lessee; provided, however, that in any such instance, during Lessor's normal business hours and at the

convenience of Lessor, and upon receipt of written request from Lessee accompanied by such written waivers and releases as the Lessor may require, Lessor may (at Lessor's option) either (1) escort Lessee or its authorized personnel to the Leased Premises to retrieve any personal belongings or other property of Lessee, or (2) obtain a list from Lessee of such personal property as Lessee intends to remove, whereupon, Lessor shall remove such property and make it available to Lessee at a time and place designated by Lessor. However, if Lessor elects option (2), Lessee shall pay, in certified funds in advance, all costs and expenses estimated by Lessor to be incurred in removing such property and making it available to Lessee and all moving and/or storage charges theretofore incurred by Lessor with respect to such property. If Lessor elects to exclude Lessee from the Leased Premises without permanently repossessing or terminating pursuant to the foregoing provisions of this Lease, then Lessor shall not be obligated to provide Lessee a key to re-enter the Leased Premises until such time as all delinquent rent and other amounts due under this Lease have been paid in full and all other defaults, if any, have been completely cured to Lessor's satisfaction (if such cure occurs prior to any actual permanent repossession or termination), and Lessor has been given assurance reasonably satisfactory to Lessor evidencing Lessee's ability to satisfy its remaining obligations under this Lease. During any such temporary period of exclusion, Lessor will, during Lessor's regular business hours and at Lessor's convenience, upon receipt of written request from Lessee (accompanied by such written waivers and releases as Lessor may require), escort Lessee or its authorized personnel to the Leased Premises to retrieve personal belongings of Lessee or its employees, and such other property of Lessee.

All rights and remedies of Lessor under this lease shall be cumulative, and none shall exclude any other right or remedy at law. Such rights and remedies may be exercised and enforced concurrently and whenever and as often as occasion therefor arises.

13.02. If Lessor defaults in the performance of any term, covenant, or condition required to be performed by him under this agreement, Lessee may elect to: (1) terminate this agreement on giving at least thirty (30) days' notice to Lessor of such intention, thereby terminating this agreement on the date designated in such notice, unless Lessor shall have cured such default prior to expiration of the thirty (30) day period; or (2) remedy such default at Lessee's expense.

ARTICLE 14. INSPECTION BY LESSOR

14.01. Lessee shall permit Lessor and Lessor's agents to enter into and upon the Leased Premises at all reasonable times for the purpose of inspecting the same or for the purpose of maintaining or making repairs or alterations to the building.

ARTICLE 15. ASSIGNMENT AND SUBLEASE

15.01. Lessee shall not assign this lease nor sublet all or a portion of the Leased Premises without the prior written consent of Lessor.

15.02. Lessor is expressly given the right to assign any or all of Lessor's interest under the terms of this lease.

ARTICLE 16. INDEMNITY

16.01. LESSEE AGREES TO INDEMNIFY AND HOLD LESSOR HARMLESS AGAINST ANY AND ALL CLAIMS, DEMANDS, DAMAGES, COSTS AND EXPENSES, INCLUDING REASONABLE ATTORNEY'S FEES FOR THE DEFENSE THEREOF, ARISING FROM THE LESSEE'S OCCUPANCY OF THE LEASED PREMISES, OR LESSEE'S CONDUCT OR MANAGEMENT OF LESSEE'S BUSINESS IN THE LEASED PREMISES, OR FROM ANY BREACH ON THE PART OF LESSEE OF ANY CONDITIONS OF THIS LEASE, OR FROM ANY ACT OR NEGLIGENCE OR FAILURE OF SECURITY OF LESSEE, ITS AGENTS, CONTRACTORS, EMPLOYEES, CONCESSIONAIRES, INVITEES, OR LICENSEES IN OR ABOUT THE LEASED PREMISES. IN CASE OF ANY ACTION OR PROCEEDING BROUGHT AGAINST LESSOR BY REASON OF ANY SUCH CLAIM, LESSEE, UPON NOTICE FROM LESSOR, COVENANTS TO DEFEND SUCH ACTION OR PROCEEDING BY COUNSEL ACCEPTABLE TO LESSOR. NOTHING HEREIN SHALL BE CONSTRUED TO INDEMNIFY LESSOR FROM LESSOR'S OWN GROSS NEGLIGENCE.

16.02. The relationship between Lessor and Lessee shall at all times remain solely that of the Lessor and Lessee, and shall not be deemed a partnership or joint venture.

16.03. Lessor shall not be responsible or liable to Lessee, Lessee's invitees, or members of the public for losses of any kind, including personal injury or loss of merchandise or any personal property.

16.04. Lessee shall be responsible for security in and about the premises with regard to Lessee's own property, employees, agents, customers, and members of the public. Lessee understands the general level of crime in and about Fredericksburg and Gillespie County and understands that Lessor cannot and will not guarantee safety or security with regard to

the Leased Premises. Lessee specifically disclaims any duty of protection by Lessor.

ARTICLE 17. MISCELLANEOUS

17.05. No amendment, modification, or alteration of the terms hereof shall be

17.06. In the event Lessor or Lessee breaches any of the terms of this agreement whereby the party not in default employs attorneys to protect or enforce its rights hereunder, and prevails, then the defaulting party agrees to pay the other party's reasonable attorney fees so incurred by such other party.

17.07. Neither Lessor nor Lessee shall be required to perform any term, condition, or covenant in this lease so long as such performance is delayed or prevented by force majeure, which shall mean acts of God, strikes, material or labor restrictions by any governmental authority, civil riot, floods, and any other cause not reasonably within the control of the Lessor or Lessee and which by the exercise of due diligence Lessor or Lessee is unable, wholly or in part, to prevent or overcome.

17.08. Time is of the essence of this agreement.

CITY COUNCIL MEMO

DATE: February 9, 2021
TO: Mayor and City Council
FROM: Kent Myers, City Manager
SUBJECT: Future City Council and Other Public Meetings

Summary:

The City Council should discuss and consider the location and format for future meetings of the City Council and other City Committees such as the Planning and Zoning Commission and Historic Review Board.

Recommendation:

It is recommended that the same location and format be approved for all City public meetings and that the Council's approval be made for a three-month period (March, April and May).

Background / Analysis:

Due to the impacts from COVID-19 over the past year, the City has had to relocate our City Council and other public meetings from the Law Enforcement Center. We have also changed to both zoom meetings and hybrid meetings which consist of both in-person and zoom meetings. Previously the City Council decided to have public meetings during February as zoom only meetings.

In considering options for future public meetings during the pandemic, we have several challenges that we are facing. The Law Enforcement Center is too small with a public occupancy of 29 in order to meet social distancing requirements. The University Center is no longer available due to use of this facility for

The City of Fredericksburg

the mass vaccination site. And there is a lack of other meeting spaces in our community that are large enough to accommodate our needs.

In considering different locations for future in-person meetings, City staff reviewed some 6-7 different sites. These were evaluated based upon size, availability, cost, location, and other factors. It appears that the Rockbox Theatre and the Bridge Church offer the most feasibility spaces for our public meetings. We recommend that one of these two facilities be selected for our meetings during March, April and May if the Council decides to resume in-person meetings.

With regard to the format for these meetings, there are basically four options that should be considered including (1) continuation of zoom only meetings which would not require the City to select a meeting site; (2) holding in-person meetings with no ability for the public to view the meetings; (3) holding in-person meetings with a hybrid approach including Zoom for people who cannot attend the meetings; and (4) holding in-person meetings with a hybrid approach involving the streaming of the meetings on YouTube. The estimated cost for adding equipment for Zoom is about \$45,000 and the estimate cost for the equipment necessary to stream the meetings is about \$18,000.

At Monday's City Council staff will be available to respond to any questions involving these four options.

CITY COUNCIL MEMO

DATE: February 9, 2021

TO: Mayor and City Council

FROM: Jennifer Krupa, Special Events Coordinator

SUBJECT: Moratorium on special events and outdoor gatherings of 75 or more on City-owned property, and the requirements for outdoor gatherings of 10 to 75 people

Summary:

The expiration date for the current moratorium on special events and outdoor gatherings on City-owned property of 75 or more people is Sunday, February 28, 2021. In addition, outdoor gatherings of 10 to 75 people are required to submit a written health & safety plan for the mayor to review and approve before moving forward.

Special Events: It is recommended for City Council to consider extending the current moratorium on special events on City-owned property through March 31, 2021. Any special event wanting to obtain a permit would be required to submit a written health & safety plan for review and approval by City Council before moving forward. The definition of a special event is found under the Background/Analysis section of this memo. There is no change in this recommendation from what has been approved and in effect since August 1, 2020.

Private outdoor gatherings of 10-299 people: The number of outdoor private events peak during the spring and early summer months. The parks department has over 25 open pavilion reservations beginning in April of 2021. Many of these reservations are from small, private events in 2020 being moved to 2021 due to COVID-19. Staff would like City Council to consider allowing private outdoor event rentals of facilities for gatherings less than 300 people, limited to posted occupancy or maximum occupancy allowed by State guidelines (i.e., 75% occupancy for swimming pools), and requiring the renter to sign a waiver. The waiver would require the renter and attendees to follow COVID-19 health & safety protocols. The waiver would go into effect at 12:01 a.m. on Tuesday, February 16, 2021. The

The City of Fredericksburg

waiver would be in-lieu of requiring a written health & safety plan to be submitted to the mayor for review and approval.

Recommendation:

Consider the adoption of a motion to extend the current moratorium on special events on City-owned property through March 31, 2021; and allow rental of facilities for private outdoor gatherings for 10-299 people, limited to posted occupancy or maximum occupancy allowed by State guidelines, and requiring the renter to sign a COVID-19 health & safety protocol waiver.

Background / Analysis:

Special Event Definition from Special Events Ordinance 2019-26:

Special Event means a temporary event, gathering or activity, including but not limited to parades, bike races, marathons, walk-a-thons, firework displays, concerts, carnivals other types of races and festivals, First Amendment Events, and Seasonal Special Events which involve one or more of the following activities:

- (1) Closing or partial closing of a public street;
- (2) Blocking or restricting City-owned property;
- (3) An event, gathering, or activity held on City-Owned property, that is open or advertised to the general public;
- (4) Sale of merchandise, food or beverages on City-owned property;
- (5) Erection of a tent equal to or greater than 200 square feet in area on City-owned property;
- (6) Installation of a stage, band-shell, trailer, van, grandstand, bleachers or other portable building or structure on City-owned property;
- (7) Placement of portable toilets on City -owned property;
- (8) Private event, gathering, or activity held on City-Owned property, reasonably expected to have attendance of 300 or more people, per day;
- (9) Placement of temporary no-parking signs in a public right-of-way or on City-owned property; or
- (10) Placement of pedestrian boundary markers on City-owned property

Moratorium background:

Executive order GA-28 issued by Governor Abbott on July 2, 2020, effective on July 3, 2020 states:

5. For any outdoor gathering in excess of 10 people, other than those set forth above in paragraph numbers 1, 2, or 4, the gathering is prohibited unless the mayor of the city in which the gathering is held, or the county judge in the case of a gathering in an unincorporated area, approves of the gathering, and such approval can be made subject to certain conditions or restrictions not inconsistent with this executive order;

The City of Fredericksburg

12. Except as provided in this executive order or in the minimum standard health protocols recommended by DSHS, found at www.dshs.texas.gov/coronavirus, people shall not be in groups larger than 10 and shall maintain six feet of social distancing from those not in their group

On July 20, 2020, city council approved a moratorium for special events on City-owned property effective August 1, 2020 through November 1, 2020, to slow the spread of the novel coronavirus (COVID-19) in the community. In addition, City Council required outdoor gatherings over 10 people but under 75 people to submit a written health and safety plan for the mayor to review and ultimately approve before moving forward.

At the October 19, 2020 City Council meeting, the moratorium was extended to November 16, 2020.

At the November 16, 2020 City Council meeting, the moratorium was extended through December 31, 2020.

At the December 21, 2020 City Council meeting, the moratorium was extended through February 28, 2021.

The Lions Club Pancake Breakfast is a non-profit fundraiser for the Lions Club Camp in Kerrville, TX. Tickets are \$6.00 per person and food will be served in to-go boxes with condiments in individual packets.

On July 20, 2020, city council approved a moratorium for special events on City-owned property effective August 1, 2020 through November 1, 2020, to slow the spread of the novel coronavirus (COVID-19) in the community.

CITY COUNCIL MEMO

DATE: February 8, 2021

TO: Mayor and City Council

FROM: Jennifer Krupa, Special Events Coordinator

SUBJECT: Health & Safety Plan for Die Künstler von Fredericksburg Art Show

Summary:

Louise Murphy and Ruby Lee Clark have submitted a health & safety plan for review and approval to host the Die Künstler von Fredericksburg Art Show on Saturday, April 10, 2021, at Marktplatz (Adelsverein & Oktoberfest Halles).

Recommendation:

City council should consider adoption of a motion to allow the Die Künstler von Fredericksburg Art Show to take place at Marktplatz on Saturday, April 10, 2021, based upon the information included in the attached health & safety plan.

Background / Analysis:

Die Künstler von Fredericksburg (the artists of Fredericksburg), or DK for short, is an all-volunteer member artist group founded in 1993, its name honoring the City's German heritage.

DK seeks to:

- promote appreciation of and public support for the visual arts in Fredericksburg and throughout the Texas Hill Country;
- encourage local artists at every level of experience to continually develop their talents;
- support Gillespie County school art programs;

The City of Fredericksburg

126 W. Main St. • Fredericksburg, Texas 78624-3708 • (830) 997-7521 • Fax (830) 997-1861

- provide exhibiting opportunities for local artists.

The Die Künstler von Fredericksburg Art Show has taken place at Marktplatz in the past, with the most recent event in 2019.

On July 20, 2020, city council approved a moratorium for special events on City-owned property effective August 1, 2020 through November 1, 2020, to slow the spread of the novel coronavirus (COVID-19) in the community.

In addition to the moratorium on special events, the city council voted to prohibit all other outdoor gatherings, on city property in excess of 75 people from August 1, 2020 through November 1, 2020, other than those gatherings set forth in in paragraph numbers 1, 2, or 4, of Executive Order GA-28 (as amended) issued by Governor Greg Abbott. Events over 10 people but under 75 people are required to submit a Health and Safety Plan for the mayor to review and ultimately approve before moving forward.

At the October 19th city council meeting, the moratorium was extended to November 16, 2020.

At the November 16th city council meeting, the moratorium was extended to December 31, 2020.

At the December 21st city council meeting, the moratorium was extended to February 28, 2021 with the following events approved to move forward: Hill Country Indian Artifact Show, Kid Fish, and St. Mary's Catholic Schools Week Parade.

At the February 1st city council meeting, health & safety plans for the four following events were reviewed and approved to move forward: Wanderlust Half Marathon, Redbud Artisan Market, Fredericksburg Farmers Market and the Wildflower Run.

COVID-19 Health and Safety Policy:

Event:

Die Künstler von Fredericksburg's Spring Fling Art Sale is a not-for-profit art sale. It gives individual artist an opportunity to sell their artwork by renting a space at Adelsverein Halle. This is the 3rd year running the sale once a year.

Location:

Adelsverein Halle at Marktplatz has been reserved for April 10, 2021, from 8:00 am till 5:00 pm.

Pricing:

The event is open and free to the public. Artist vendors pay a booth fee to participate.

Event Organizer Contact Information:

Ruby Lee Clark and Louise Murphy are the event organizers and members of Die Künstler von Fredericksburg, Ruby Lee Clark, phone: 830-997-4789, Louise Murphy, phone:830-370-9141,

Since the virus causing Covid-19 can be spread to others by infected persons who have few or no symptoms, it is the policy of Die Künstler von Fredericksburg hereafter referred to as DK, that all vendors and visitors must abide by the following:

Booth spacing:

When setting up the show, all booths will be spaced apart so that there is room for customers to walk around them on 3 sides, to view the merchandise without being close to another customer, as the aisles will be at least 6 ft. wide.

Vendor capacity:

Booths will be limited to 30 booths in Adelsverein Halle.

Social distancing:

1. Although evidence indicates that the use of face coverings is effective to help prevent the spread of Covid-19, we require vendors and patrons of DK's Spring Fling Art Sale to maintain a distance of at least 6 feet between one another when at all possible.
2. Customers who form a line to any one booth, should separate from one another by at least 6 feet. Each vendor will be required to have a small sign on their table or hanging from their tent stating that face coverings are required.

Face coverings:

1. Face coverings are required to be worn by all vendors and any individuals within 6 feet of other customers or vendors. There are no exceptions to this policy.
2. Furthermore, face coverings must be worn appropriately: both the mouth and nose must be covered, and the covering is never to be removed or the position altered on the face while within 6 feet of other customers or vendors. The exceptions to this will be for people who become incapacitated, unconscious, or who suffer from some acute difficulty in breathing. If you have difficulty breathing at the onset of your visit, and cannot wear a mask, we ask that you refrain from entering.

Temperature checks:

Temperature checks will not be provided as the pavilions at the Marktplatz are open on all sides, making this unmanageable. There is no single point of entry.

We will ask vendors to self-screen at home before coming to the event and send home any vendor who has any of the following new or worsening signs or symptoms of possible COVID - 19:

Cough

Shortness of breath or difficulty breathing

Chills

Repeated shaking with chills

Muscle pain

Headache

Sore throat

Loss of taste or smell

Diarrhea

Feverish and measuring a temperature of greater than or equal to 100 degrees F.

Known close contact with a person who has tested positive for Covid-19 in the last 10 days.

Personal Protective Equipment (PPE):

PPE will not be provided but will be required of each vendor, event helpers, and patrons of Marktplatz.

We will have mask and hand sanitizer available for those people who do not show up with them. Signs stating that face coverings required will be posted on each side of the pavilions.

Announcements & signage about safety protocol:

Announcements will not be made at the event, as we will not have equipment enabling us to announce anything. We will place signs regarding COVID-19 protocols around each pavilion on the poles and the signage is attached to this plan.

Hand sanitizer:

Each vendor will have hand sanitizer available on their table for customers and will be asked to use hand sanitizer before and after handling a transaction.

Food and beverages:

Food & beverages will not be sold, so there will be no sampling to consider.

Public restrooms and hand-wash stations:

Restrooms and hand-washing stations/sinks are available at Marktplatz and are maintained by the City of Fredericksburg.

Event promotion/information:

When advertising for this event, safety protocols will be mentioned/listed for the public to see. All vendors will sign an application stating that they understand and agree to abide by the rules for the show.
